Family Night Fun

Where food and friends come together, it's sure to be a good time. We enjoyed the company of friends and families of Eastridge Senior Living Suites at our most recent family night event. Attendees dined on delicious Cajun jambalaya and danced their hearts out to some karaoke tunes.

Pet Therapy

According to multiple scientific studies, pet therapy has proven to be incredibly beneficial, especially with the elderly. The Alzheimer’s Association states that pets benefit senior citizens remarkably through socialization and increasing emotional well-being. Residents at Eastridge Senior Living truly love when our animal friends come to visit! We send a heartfelt thank you to pet therapy volunteers for putting smiles on our faces.

Wild Wild West

We recently celebrated all things Western at Eastridge Senior Living Suites. Residents and staff donned their cowboy hats, plaid shirts, jeans, and boots for the occasion. We had so much fun being cowboys and cowgirls for the day!
